STATE OF CALIFORNIA
NATURAL RESOURCES AGENCY
DEPARTMENT OF CONSERVATION
GEOLOGIC ENERGY MANAGEMENT DIVISION

ORDER TO PAY A CIVIL PENALTY
NO. 1588

Operator: Yoelin Family Trust (Y0050)
Field Name: Rosecrans
County: Los Angeles

I. Introduction

The State Oil and Gas Supervisor (**Supervisor**), acting through the Geologic Energy Management Division (**CalGEM**), and under the authority of Division 3 of the Public Resources Code (**PRC**; commencing with PRC section 3000) and title 14 of the California Code of Regulations (**Regulations**), may impose a civil penalty on a person who violates any statutory provision of the PRC, or any regulation that implements those statutory provisions. (PRC, § 3236.5.)

Based on CalGEM's records, Yoelin Family Trust (**Operator**) is the operator (as defined in PRC, § 3009) and is responsible for the four Wells and associated production facilities identified on **Attachment A**, incorporated herein (the **Wells** and **Facilities**). As described in more detail below, Operator has not maintained compliance with applicable requirements for operation of the Wells and the Facilities. Operator's failure to comply with the Regulations poses a potential threat to life, health, property, and natural resources for which the Supervisor has determined imposition of a civil penalty is appropriate. Therefore, pursuant to PRC sections 3013, 3106, 3224, 3225, 3226, 3236.5, and 3270 and Regulations section 1777, the Supervisor is ordering Operator to pay an administrative civil penalty for the violations.

Attachment B, incorporated herein, contains a list of definitions and authorities that are applicable to this Order.

II. Alleged Acts and Omissions

Based on CalGEM's records, at all times relevant to this Order, Operator was the operator, as defined in PRC section 3009, of the Wells and Facilities. On or about August 21, 2025, CalGEM conducted an inspection of the Wells and Facilities in the Rosecrans Field where the violations described below were observed and documented. (**Attachment C**, incorporated herein.)

CalGEM records reflect Operator has not maintained compliance with applicable requirements for operation of the Wells and the Facilities. Operator's lack of adherence to the Regulations poses a potential threat to life, health, property, and natural resources. The violations at issue are identified below.

1 **A. Failure to maintain production facilities in good condition and in a manner to prevent**
 2 **leakage or corrosion. (Regulations, § 1777, subd. (a).)**

3 Operators are required to maintain production facilities in good condition and in a
 4 manner to prevent leakage or corrosion and to safeguard life, health, property, and natural
 5 resources and conduct operations in accordance with good oilfield practices. (Regulations, §
 6 1777, subd. (a).) Production facilities include wellheads. (PRC, § 3010; Regulations, § 1760,
 7 subd. (r).)

8 During the inspection, CalGEM observed a liquid leak at the following wellheads, and
 9 the wells therefore not being maintained in a good condition and in a manner to prevent
 10 leakage or corrosion, in violation of the Regulations, section 1777, subdivision (a):

API	Well Designation
0402713615	Universal Trust- 10
0403713612	Universal-Trust 5
0403713611	Universal-Trust 4
0403713614	Universal-Trust 8

16 According to CalGEM's records, the violations have been remediated and were
 17 resolved on October 3, 2025.

19 **III. Civil Penalty**

20 **A. Civil Penalty**

21 Based on the foregoing Alleged Acts and Omissions and pursuant to PRC section
 22 3236.5, by this Order the Supervisor imposes on Operator an administrative civil penalty
 23 totaling one thousand six hundred fifty dollars (\$1,650.00) for the four violations.

Violation Description	Number of Violations	Associated Civil Penalty per Violation	Civil Penalty Totals
Failure to Maintain Production Facilities in Good Condition and in a Manner to Prevent Leakage or Corrosion; Leaking Wellheads (Regulations, § 1777, subd. (a).)	3	\$300	\$900

1 Failure to Maintain Production 2 Facilities in Good Condition and in a 3 Manner to Prevent Leakage or 4 Corrosion; Leaking Wellheads 5 (Regulations, § 1777, subd. (a.))	6 1	7 \$750	8 \$750
9	10	11 Total Civil 12 Penalty:	13 \$1,650

14 For purposes of this Order, the Supervisor considered relevant circumstances when establishing
15 the amount of the administrative civil penalty, including: characterizing the violations as
16 "minor" (as defined in PRC section 3236.5, subdivision (b)), the eight factors identified in PRC
17 section 3236.5, subdivision (a), and the following: the Wells are located inside a health
18 protection zone, as defined in Regulations section 1765.1, subdivision (b), are environmentally
19 sensitive, as defined in Regulations section 1760, subdivision (f), and the Wells are critical wells,
20 as defined in Regulations section 1720, subdivision (a).

22 For the reasons stated herein, pursuant to PRC sections 3013, 3106, 3224, 3225, 3226,

(PRC, § 3356.)

VI. Other Potential Actions to Enforce This Order

Failure to comply with Section IV (Operator's Required Actions) of this Order could subject Operator to further enforcement action. PRC section 3236 makes it a misdemeanor for any person who violates, fails, neglects, or refuses to comply with any of the provisions of the oil and gas conservation laws commencing at PRC section 3000. PRC sections 3236.2 and

1 3236.3 authorize the Supervisor to seek for civil penalties and injunctive relief for failure to
2 comply with an order or for violations of any provision in Chapter 1 of Division 3 of the PRC or
3 any regulation that implements those statutes. PRC section 3236.5 authorizes the Supervisor to
4 impose a civil penalty on a person who violates any provision in Chapter 1 of Division 3 of the
5 PRC or any regulation that implements those statutes, and the Supervisor may in the future
6 impose further civil penalties based on the facts and omissions underlying this order. PRC
7 section 3237 authorizes the Supervisor to order the plugging and abandonment of a well or
8 the decommissioning of a production facility if an operator has failed to comply with an order
9 of the Supervisor within the time provided by the order or has failed to challenge the order on
10 a timely basis. PRC section 3359 makes it a misdemeanor to fail or neglect to comply with an
11 order of the Supervisor. Each day's further failure, refusal, or neglect is a separate and distinct
12 offense. (PRC, § 3359.) By issuance of this Order, the Supervisor does not waive the right to take
13 further enforcement actions.
